

# Delivering Confidence and Transparency

to ship agents, seafarers and vessel owners

We're here to help you keep your vessels running smoothly and efficiently, so you can focus on delivering your goods to your customers on time and on budget. We confidently take care of the details so you don't have to.

## Ship Chandling Services

We supply healthy provisions, maintenance equipment, and all kinds of safety gear. We also deliver ship mooring lines and spare parts to meet maintenance and repair needs.

## Why Choose Us

Unmatched reliability - We understand that timely and efficient deliveries are crucial to your business.

Transparency and compliance - we believe in open and honest communication with our partners.

### Healthy provisions

From fruits and vegetables to grains and dairy, we have everything you need to stay healthy and energized on your voyage

### Deck maintenance

From deck scrubbers to pressure washers, we have all you need to maintain a safe and clean deck.

### Safety gears and spares

From fire extinguishers to safety boots, everything you need to keep your ship running smoothly and safely.
